

What is the Sports Premium?

Since March 2013 the Government have provided additional funding to improve provision of physical education (PE) and sport in primary schools in England – The Primary PE & Sport Premium. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – is allocated to primary school head teachers and is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding:

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Vision:

All pupils will leave primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. We would expect indicators of such improvement to include:

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

2017/2018

Project	Outcomes
Members of Connect Teaching School – Connect Sports Programme	<p>The Sports Partnership has given the school the opportunity to take part in a large number of different sporting activities this year. These have given both Key Stages the opportunity to be involved in sessions off site.</p> <p>The way the competition structure has been set, has given pupils across Key Stage 2 a large access to competitive sport, which has also seen large numbers be of children being involved.</p> <p>*See calendar below</p>
Year 6 swimming lessons	66% of pupils (Y6) met the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres.
	48 % of pupils use a range of strokes effectively
	39 % of pupils can perform safe self-rescue in different water-based situations
Discovery Sports coaching	Discovery Sports offer weekly activities to children in KS1 and KS2 including multi-sports and dodgeball.
Whole School – Physical Activity Day through A-Life	Children in KS1 and KS2 learnt about the body, healthy eating and then in the afternoon sessions took part in a range of ‘circuit’ activities.
Subsidise PGL activity weekend	42 children accessed a weekend of physical activity at the Caythorpe, PGL Centre. Activities included climbing, orienteering, archery, cycling and fencing.
Purchase of new sports equipment	Children in EYFS, KS1 and KS2 can access a range of resources, both during PE lessons and at lunchtime.
Re-surfacing of Multi-Use Games Area	The re-surfacing of the MUGA has led to a decline in the number of children sustaining injuries. It has also meant that more activities can be offered at lunchtimes.
Installation of a new running track	The new running track is used regularly to encourage children to run and walk. It is used at playtimes and lunchtimes, with adults supervising running competitions, and a lunchtime Powerwalking Club is offered.

***Sports Calendar 2017/2018**

Date	Event	Number attending	How well they did	Club – Number attending

Transport to and from different sporting events	Events throughout the year	£990
Playground equipment – including ankle skippers, skipping ropes, etc.	One off cost	£693.51
New outdoor play and sports equipment, including balls, footballs, rugby balls, cricket sets, etc.	One off cost	£7,695.55
Total:		£76,449.46

Impact

Our staff and children are benefitting greatly from the Sports Premium funding, which is having a positive impact on our pupils' physical wellbeing, as well as broadening all of our horizons with regard to sporting experiences. Below is an outline of the impact that the Sport Premium Funding has had on our school and pupils:

- We have been able to offer a wider variety of sports clubs, most of which were run by specialist sports coaches.
- As a result of this there has been an increased number of children attending sports clubs (247 children have taken part in either basketball, football, dodgeball, multi-skills, netball, dance compared to 174 in 2016/2017)
- The increased attendance at sports clubs has also had a significant impact on the children's abilities. For example, out of fourteen competitions, the children came first in six of them, second in four of them and third place in four of them also.

How will we be spending our Sports Funding 2018/2019?

The Sports Premium allocation this year is £19,630

At Carlton Road Academy we understand the importance of physical activity and sport. We believe that being active, working as a team and trying new sports is vital to the overall wellbeing of our pupils. With this in mind we propose to spend this additional Sports Premium funding in the following ways:

- Membership to the Connect Sports Programme (see below for a list of planned events)
- Organise weekly swimming lessons for pupils in years 3 - 6
- Access Top Up Swimming for year 6 pupils
- Employ specialist sports coaches to teach PE in school
- Offer after school sports coaching and clubs
- Subsidise the PGL activity weekend
- Purchase new sports equipment for the playground
- Invest in new playground markings to encourage active movement
- Invest in staff training, particularly for PE TAs, i.e. Level 2 coaching course
- Development of girls' football (starting a league in the Boston area)
- Investment in Bikeability – the purchase of cycles in order to train children in the proficiency of cycling
- Primary cycling (EYFS) – Balanceability – to offer a an after school club
- Investment in fencing and archery skills taught through Multisport Pro
- Investment in the Gifted and Talented Scheme (Multisports) through the University of Lincoln.

Sept 2018 to July 2019 Competition Calendar - Primary

Connect Sports Partnership (17th July 2018).

All entries by e mail please mark.lassetter@bwaf.net

You will then receive an e-mail to confirm your entry and a reminder before the event.

Schools are encouraged to provide their own equipment where necessary. Umpiring will be done by utilising School Sport Staff and Young Sports Leaders. Letters for schools, rules and risk assessments will be sent upon request or entry.

Date	Sport	Year	Details
