General Knowledge

Within the last 70 years there have been many changes to everyday life. What your grandparents had in their everyday lives, is very different to what you have now!

Phones:

The first handheld mobile phone was released in 1973. First touchscreen phone was released in 2000.

Toys:

Toys have changed in many ways over the years. The first games console was introduced in 1977 - the Atari 2600.

We are babies when we are born.

We then grow into toddlers.

Then we are children.

When we are 13 we become teenagers.

When we are 18 we become adults.

Adults change as they grow older and then become elderly.
