

What is a “Big Conversation”?

**THE
BIG
CONVERSATION**

A “Big Conversation” is when everyone in school talks about the same subject at the same time.

We keep note of the ideas everyone shares and use them to help us understand the different points of view in our school. What people think, believe, feel or ASPIRE to!

This is our
ethos
(the spirit and
belief of our
school).

What does it mean
to you to Aspire?
To achieve?

**Aspire to
Achieve**

What do you aspire to?
What do you want to
achieve?
At school?
In the future?

**THE
BIG
CONVERSATION**

These are
our Values

What do they
mean to you?
