|  | The topic will introduce the children to the new year and the setting. It will cover the concepts of emotions, choices, regulation, where we come from, our families and special relationships. | This unit will focus on traditional stories, during the term the children will share tales with woodland themes and or magical elements, tricks or curses! Little Red Riding Hood, Sleeping Beauty and Hansel and Gretel are examples. | This topic will focus on Space and travel, planets and aliens. During the term children will explore a variety of texts such as The Smeds and the Smoos, Whatever Next and How to catch a star. They will build their own rockets and take a trip to the moon, where they will spot aliens and maybe even discover a new planet. | This topic will explore a variety of animals, minibeasts, the farm and the zoo. The children will learn about habitats and diets of animals and the differences between animals on the farm vs in a zoo. They will also have the opportunity to handle exotic animals and speak to professionals who work with them. | This topic will focus on where our food comes from. Lincolnshire is a huge farming community and we feel it is crucial for our children to understand the importance of where they live. How do potatoes grown down the road end up as the chips we enjoy for tea? | This topic will focus on all things that move up. From aeroplanes, helicopters and hot-air balloons, to ourselves as we transition to Year 1. |
