

What is the Sports Premium?

Since March 2013 the Government have provided additional funding to improve provision of physical education (PE) and sport in primary schools in England – The Primary PE & Sport Premium. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – is allocated to primary school head teachers and is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding:

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Vision:

All pupils will leave primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. We would expect indicators of such improvement to include:

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

2018/2019

Project	Outcomes
Members of Connect Teaching School – Connect Sports Programme	The Sports Partnership has once again given the school the opportunity to take part in a large number of different sporting activities this year. These have given both Key Stages the opportunity to be involved in sessions off site. The way the competition structure has been set, has given pupils across Key Stage 2 a large access to competitive sport, which has also seen large numbers be of children being involved. *See calendar below
Year 6 swimming lessons	46% of pupils (Y6) met the National Curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres.
	25% of pupils use a range of strokes effectively
	19 % of pupils can perform safe self-rescue in different water-based situations
Discovery Sports coaching	Discovery Sports offered weekly activities to children in KS1 and KS2 including multi-sports and dodgeball.
Y5/6 – Physical Activity Day through A-Life	Children in Upper KS2 learnt about the body, took part in healthy eating sessions a range of ‘circuit’ activities.
Purchase of new sports equipment	Children in EYFS, KS1 and KS2 can access a range of resources, both during PE lessons and at lunchtime.
Purchase of PE t-shirt	All children now have a t-shirt to wear for PE with the school logo on in order to promote the value of the PE sessions that we offer and to ensure that all children have the appropriate kit in school (spare plimsolls and shorts have also been bought)

Sports Calendar 2018/2019

Connect Sports Partnership Events – Carlton Road participation

Date	Event	Number attending	How well they did	Club – Number attending
5 th Oct 2018	Y3/4 Football Tournament	10	3 rd	28

School logo PE t-shirts	One off cost	£1,747.35
A Life – physical awareness workshop	One off cost	£499
Total:		£17,911.14

Impact

Our staff and children are benefitting greatly from the Sports Premium funding, which is having a positive impact on our pupils' physical wellbeing, as well as broadening all of our horizons with regard to sporting experiences. Below is an outline of the impact that the Sport Premium Funding has had on our school and pupils:

- We have been able to offer a wider variety of sports clubs, most of which were run by specialist sports coaches.
- As a result of this there has been an increased number of children attending sports clubs (Children have taken part in either basketball, football, dodgeball, multi-skills, cyclin, dance)
- The increased attendance at sports clubs has also had a significant impact on the children's abilities. Many children represented the school I various sports teams throughout the year and the school celebrated many successes (as seen in the information above).

How will we be spending our Sports Funding 2018/2019?

The Sports Premium allocation this year is £ 19,630 (plus £1,718.86 carry forward from last years underspend)

At Carlton Road Academy we understand the importance of physical activity and sport. We believe that being active, working as a team and trying new sports is vital to the overall wellbeing of our pupils. With this in mind we propose to spend this additional Sports Premium funding in the following ways:

- Membership to the Boston Sports Partnership (see below for a list of planned events)
- Employ specialist sports coaches to teach PE in school
- Offer a range of after school sports coaching and clubs
- Subsidise the PGL activity for Y6 children
- Purchase new sports equipment for the playground
- Invest in new playground markings to encourage active movement
