

Introducing a new online adult maths course.....

Calculations without calculators!

This is a **free** Family Learning course available to all mums, dads, grandparents and carers!

Do you need to upskill or refresh your maths and learn methods for calculations without the use of a calculator?

Forgotten how 'borrowing' works or not sure about what method to use to multiply?

This online course will help you 'get to grips' with non-calculator mental and written methods

To find out more 'Meet and Greet' our Tutor Chloe
Tuesday 9th February at 10am

This is a 6 week online course
You need access to the internet, an email address, lap top or tablet (preferable) as the course is delivered live via an online platform

Tuesday 23rd February 2021 to Tuesday 30th March 2021

Virtual classroom sessions will start at 10am and finish at 11am
You will need to be available at this time each week

We have 12 spaces for this course – so register your interest now!
